

## Greetings CanAdventure Alumni!

As many of you know, the North Vancouver Island summer climate is terra-iffic and nothing short of spectacular. CanAdventure Education wants to share this ideal coastal environment by offering you an end of summer expedition. Led by our enthusiastic team, we invite past participants to get outside this summer through our specialized alumni program. We are pleased to invite you to join us in August to spend 14 days amidst the wilderness that has taught us all how to live the adventure and learn its lessons.

**Date: August 18 - 31, 2010**

**Cost: \$3,150 +HST**

This invitation is open to graduates of the Journey and Hero's Quest Program. The program will involve leadership skill development, review of goals established at CanAdventure Education, team-building, and connection with staff and fellow group members. The Alumni group will build the ultimate expedition plan and, soon after, head out to get back in touch with the wilderness and test leadership skills through the CanAdventure experience.
